Once you have received confirmation of your registration through the Dogs Can Dance Challenge, your registration will remain in an "active status" as long you have submitted a performance within any 24 month period. If no performance is submitted within any 24 month period, your registration is classified as "inactive status" and a new registration form will be required.

I have read the Dogs Can Dance Challenge Guide and I understand and agree to all requirements listed in the guide. Changes to the Guide may be made at any time, with written notice to handlers with "active status". It is my responsibility to ensure that my handler status remains "active" and is not the responsibility of Dogs Can Dance to inform me in the event that my registration becomes "Inactive" due to lack of participation within the 24 months. *More information or questions may be obtained by joining the Dogs Can Dance Challenge Yahoo Group.* I hold harmless Judy Gamet, Dogs Can Dance and all contractors involved of all liability for any reason.
